From Lynda: I just wanted to let you know I confirmed with Regina Santore and she will be presenting our first program: "Tips and Tricks to Attract Birds, Butterflies and Fireflies to your *YOUR* Yard" on Tuesday, Feb 3 at 2:00 in the TV Library meeting room! Mark your calendar and tell you friends and neighbors... And remember, because the library is hosting this, the library will be handling registration for the program, so if you want to attend, you'll need to call the library and reserve a seat.
